

# SALVADOR (CHIP) IMPASTATO

ASLA | Principal / Partner

Chip Impastato has extensive experience in corporate, retail, mixed-use, and hospitality developments throughout the United States, Europe, and Asia. He develops and maintains client relationships for all sectors within Studio Outside. His primary duty is to ensure the highest level of quality for clients' designs and developments. Chip also co-directs the day-to-day business operations of the firm.

Chip's work and contributions have been instrumental in award-winning projects that elevate the standards for development in the urban environment. He has multi-faceted expertise in design, management, and project protocol. In addition, Chip is a guest lecturer at national conferences and several universities.
